

**Offer to attend one of FranklinCovey's Thought Leadership Events as Andy's complimentary guest:**

Our thought leadership events have been created to provide you with an opportunity to explore FranklinCovey's thinking on relevant business news, and the top challenges clients are wrestling with. In the virtual events we share frameworks to highlight how you could begin to develop your people and achieve your business objectives.

**Offer to share one or multiple FranklinCovey Toolkits for Leaders to help them navigate the new normal as a complimentary gift:**

*These toolkits have been created by our thought leaders to help you and your teams thrive and drive results in this new normal. Carefully curated from our content library spanning 30 years of thought leadership, each toolkit includes insights from top FranklinCovey experts, interactive exercises and multi-faceted resources to equip you with the solutions you need to succeed.*
