WHAT I DO BEST

COMPASSIONATE ACCOUNTABILITY

- Tesse commits to leading herself before leading others. Stories matter. TesseLeads shares your stories, your experiences, perspectives, reflections and insights.

- Tesse loves reading and reviews books through TesseReads to share the experiences with others. A lifelong learner, Tesse continues to grow, learn and develop.

- Passionate about setting up safe places and spaces, Tesse hosts places for great conversations, a space of courage, innovation, creativity, vulnerability, shaping resilience and crafting leadership. Tesse founded the Wellbeing and Resilience Leadership Initiative and reached out to the world and the world reached right back!

- Tesse hosts Thought Leaders and researchers to share their ideas, their designs and their successes and their first attempts in learning. A platform that inspire others through knowledge, information, wisdom and insights, Tesse invites a place of warmth, encouragement, love and hope.
